

Seaview Sunrise

Getting There...

Due to the bad road conditions into our property, it is difficult or impossible for public taxis to drop you off directly at ours. To minimize walking distance, it is recommended that you ask the taxi to drop you off at **Tommy Resort**.

100 THB / person from Thong Sala Pier - 20 minutes

50 THB / person from Haad Rin Pier - 5 minutes

From Tommy Resort's parking lot, walk down to the beach. Once you reach the beach, turn left and walk another 100 meters to Seaview Sunrise.
